

New guide!

Tom Coleman

2025-03-12

Summary

Guide on arithmetic on complex numbers available now!

Update

It's new guide time here at STARMAST! The topic is on arithmetic on complex numbers, written by Charlotte McCarthy, a participant in the University of St Andrews VIP project in Semester 1 2024/25. The online versions of the guides are equipped with interactive figures powered by Desmos.

The links to the guide, questions and answers can be found here:

- [Guide: Arithmetic on complex numbers](#)
- [Questions: Arithmetic on complex numbers](#)
- [Answers: Arithmetic on complex numbers](#)

A big thank you to Charlotte for writing these materials.

Stay tuned for more content coming soon, including our first guide on calculus and our (long-awaited) first guides on statistics – finally putting the last ST in STARMAST!
